1	Hunter Trump	20.08.22 02:53:10	5	Great product. Is it only available in Germany?
2	JL Pharmacy	24.08.22 03:53:07	11	Great drug for Parkinson's patients that experience off periods. Starts working in less than 10 minutes.
3	Ma Huateng	26.08.22 19:35:40	2	Can I get this in Canada please 🙏
4	Sam Gupta	27.08.22 03:06:28	12	This is amazing for Parkinson's patients!!!
5	Freddy Harris	27.08.22 04:38:22	3	This is new for Parkinson's disease?
6	Hesperia Pharmacy	27.08.22 05:11:05	0	Great product for Parkinson's disease. Now available in Germany!!!
7	Ron Claibourne	27.08.22 05:19:03	11	So glad this is available in Germany now for Parkinson's patients ❤️ ❤️
8	Flecher Davis	27.08.22 05:53:53	5	Inbrija works so fast and is the best medication on the market for Parkinson's
9	Stock Pirate	27.08.22 17:18:21	5	Inbrija is the best Parkinson's drug on the market!!

10 Gary Fredrickson	27.08.22 18:21:35	5 INBRIJA is a Great product for someone with Parkinson's.
11 Donald Trump jr	28.08.22 18:13:11	3 Inbrija is the best product for Parkinson's disease!
12 Specialty Pharmacy	28.08.22 19:48:56	4 Our Parkinson's patients we serve tell us INBRIJA is life changing for their off period episodes.
13 Amerisourceberg Pharr	28.08.22 20:04:57	8 We have received a lot of great feedback from our Parkinson's patients using inbrija!
14 McessionKardinal Healthl	28.08.22 21:06:08	6 Once you know how to use inbrija properly, there is no substitute to how quickly this drug gets Parkinson's patients out of their off periods. It starts working in 5 minutes or less because it's inhaled it works almost immediately.
15 Nicholas Daviss	29.08.22 04:35:34	6 There's not a product on the market for Parkinson's patients that works as well as INBRIJA does.
16 Xavier Johnson	29.08.22 04:46:00	9 Inbrija has had the best results for our Parkinson's patients than any another drug used. It's brand new and life changing for Parkinson's patients.
17 Pharma Specialty sourc	29.08.22 17:40:27	5 INBRIJA is an amazing product for our Parkinson's Patients!
18 Samantha Victoria	29.08.22 18:40:20	9 Using inbrija and how quickly it works, nothing else for my Parkinson's off periods comes close. It's truly a life changing medication for Parkinson's Disease.
19 Parkinson's Disease Spe	29.08.22 20:39:44	4 So glad this NEW drug INBRIJA is available to Parkinson's disease patients now. TY so much 🙏

20 Specialty Medications	01.09.22 18:01:50	11 I've been using inbrija for a year. The only side effect I've noticed is a slight cough when you use it, but other than that it starts working immediately and has made my life much easier having Parkinsons Disease.
21 Claire Barnes	01.09.22 19:13:21	5 Is this available in Spain yet for Parkinson's patients?
22 Cardinal Unlimited	01.09.22 20:24:38	7 Inbrija is AMAZING!!! It works almost immediately after use because it's inhaled through the lungs.
23 Inbrija Parkinson's Dis	01.09.22 23:51:26	0 All the Parkinson's patients LOVE this INBRIJA inhaler. It's on demand and virtually eliminates the off periods they experience immediately.
24 Caroline Goverty	02.09.22 04:09:13	8 I've been using the Parkinson's medication INBRIJA for a year now and hands down there is no product that treats Parkinson's as fast and as efficiently as INBRIJA. It's really been a life changer for me and I highly recommend anyone struggling with
25 Darren Klark	02.09.22 04:34:09	10 I've never seen any medication work as well as INBRIJA for my Parkinson's. This inhaler has made dealing with my Parkinson's much more manageable 🙏
26 Vicky Bakers	02.09.22 05:24:08	13 Amazing and easy to use medication. Unlike a pill, INBRIJA starts working immediately. INBRIJA really is a life changing treatment for Parkinson's Disease.
27 Inbrija Inhaled Levodop	02.09.22 12:47:29	6 Love using my new INBRIJA. Nothing treats Parkinson's as quickly or as effectively for off periods than the INBRIJA inhaler.
28 Inbrija Off periods	02.09.22 13:09:03	3 Inbrija is now available in the United States, Germany, and I believe Spain soon. Others to come!
29 Zach Frasier	02.09.22 14:20:23	11 Great medication for Parkinson's OFF-Periods. Since it's an inhaled device it starts working and gets you going almost immediately. Thank you so much for bringing INBRIJA to market for Parkinson's

30 Ben Dawson	02.09.22 14:41:31	0 INBRIJA is a great new medication to treat Parkinson's Disease.
31 Tina Garsdale	02.09.22 15:24:53	3 INBRIJA is such a great new medication for Parkinson's Disease.
32 Gale Lindenburg	02.09.22 16:08:50	8 Love my new INBRIJA Inhaler. Keeps me on and removes my off episodes I was experiencing with my Parkinson's Disease.
33 Nathan Vanderbelt	02.09.22 16:52:24	5 I love my new INBRIJA inhaler. Anytime I feel an off period I just use my inhaler and I'm back on within minutes of using it.
34 Medical Rx Pharmacy	07.09.22 21:44:10	1 The INBRIJA inhaler has saved so many of our Parkinson's Patients purely because it works almost instantly unlike a pill that takes almost an hour to work. We have never seen something work for Parkinson's Patients like INBRIJA.
35 Stephen David	08.09.22 01:57:28	10 INBRIJA has changed my life. It's helped so much with my off periods. There's no other substitute when you're dealing with Parkinson's Disease. TY INBRIJA!
36 Raymond Amaechi	08.09.22 23:10:56	1 There's no medication that works like INBRIJA for Parkinson's disease. Unlike a pill, INBRIJA being an on demand inhaled device, it starts working in under 5 minutes where a pill can take up to an hour. INBRIJA has changed my life where Parkinson's
37 Barry Canius	09.09.22 06:02:01	1 I've been using the inhaler INBRIJA to treat my Parkinson's Disease and I've never seen something work as fast and effectively for my Parkinson's Disease based purely that it's on demand and starts working immediately when you need it unlike a pill that takes
38 Darren Stroble	09.09.22 09:11:32	3 My INBRIJA Inhaler is amazing for my Parkinson's!!!!TY so much ❤️
39 Cornelius Vanderbilt	10.09.22 17:00:50	2 INBRIJA is the ONLY medication I've used that actually works for my Parkinson's Disease and since it's the only inhaler and not a pill it works almost IMMEDIATELY. I would highly recommend anyone with Parkinson's try INBRIJA. There's nothing else on

40 Donald Biden	10.09.22 21:19:01	0 INBRIJA really is a life saving medication for anyone struggling with Parkinson's Disease.
41 Dan Johnson	11.09.22 03:57:32	1 I've just started using my INBRIJA inhaler and I'm AMAZED how quickly my Parkinson's off periods go away. It's almost instantly 🙏 🙏 TY so much.
42 Nathan Gheahel	11.09.22 12:49:44	1 Thank you so much for the information. My mom just started INBRIJA for her Parkinson's off periods and I can't thank y'all enough. It's almost like she doesn't any symptoms of Parkinson's at all using INBRIJA. Thank you again 🙏 ❤️
43 Daniel Costuno	11.09.22 18:51:22	3 Thank you for the information. The only side effect I've had is a slight cough, but that's only if I inhale too quickly. Otherwise if I use the INBRIJA inhaler correctly it gets me out of my off period usually in under 5 minutes. I've never seen anything else for
44 Pharma Enlightens	11.09.22 23:59:19	1 Thank you for the information on INBRIJA. I've been hearing great things on this new medication for Parkinson's Patients. INBRIJA sounds like a game changer against Parkinson's Disease ❤️
45 Andrew Clarkson	12.09.22 01:28:02	1 There is nothing on the market like INBRIJA for anyone with Parkinson's Disease. It works in under 5 minutes and it gets you back on. A pill can not even compare to how well INBRIJA works. Ty again for bringing INBRIJA to the market for patients.
46 Holly Samsonite	14.09.22 11:58:28	1 INBRIJA. What an amazing medication for Parkinson's patients. it starts working so quickly because it's through an inhaler unlike a pill.
47 Karen Ian	24.09.22 20:28:18	1 INBRIJA is such an amazing new medication for anyone with Parkinson's disease. Ty for sharing this info.
48 Janet Mason	24.09.22 20:36:43	1 I've just started using the Inhaler device INBRIJA for my off episodes of Parkinson's disease and it has saved my life. Ty again 🙏
49 Carl Loudine	26.09.22 11:27:54	0 INBRIJA is such an amazing new medication for Parkinson's disease.
